

TCF KIDS ROCK- SEPTEMBER

Raising for Christ's Kingdom

GRANDPARENTS DAY

This month, September 10th was Grandparents day. We are very thankful that many of the grandparents could be in USA with us this year! Make sure that all grandparents feel loved.

Happy Grandparents day!

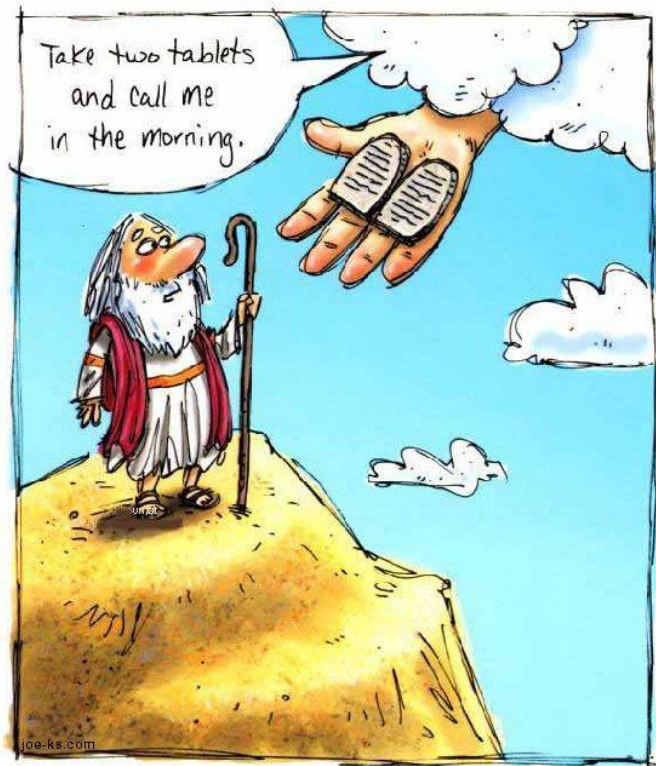

What did we learn about?

This month, our lesson was about Gideon, and how he obeyed God. The kids watched a video about gideon (The link is at the bottom), and they played many games including hot potato, using a torch. We had a great lesson this month!
