

The background is a vibrant watercolor wash. It features a mix of deep blues, bright cyan, and magenta/pink tones, all blending into each other with soft, feathered edges. The colors are more concentrated in the center and fade out towards the white background at the top and bottom.

**Lesson: Amazing G 'Race'**

**Thanks for Helping: THE YOUTH!!!!**

# The Amazing G'Race

On Good Friday, the youth got to help out with the kids. They made a competition. The kids played games, and did activities with their teams. Every youth kid was in charge of a team. If you finished the challenge, your team got points. And during all of that, the kids learned about the story of Jesus' death and resurrection.

A large, white, stylized musical note is positioned in the background, slightly to the right of the center. It has a thick, blocky appearance with a rectangular body and a rounded, oval-shaped tail. The background is a solid blue color with a subtle gradient, being darker at the top and lighter at the bottom.

*Lots of thanks to Danny Anna for helping with  
the music all three months!*
